25th September 2019

Dear Parents,

It has been sometime since the Chinnocks Chase, but rest assured we have not been idle in our planning and preparation for the School library.

Perhaps, we began from a position of naivety about what would be involved in the construction of a 'simple' 5x4m building, but we learnt quickly. This 'simple' project has required more detailed planning, drawings and forms than we could have possibly imagined!

Fortunately, we have had a hero guide us through the process! Neil Chapillon, who is Estate Manager at Millfield School, has been driving the plans and applications required in order for this project to gain further traction.

Many of you will know Neil, and how busy he is with various activities. However, his dedication and input to this project has been invaluable so far. We are truly grateful for his guidance and to Millfield School who have kindly allowed Neil and his Team time to be heavily involved in the project.

The Planning Application for the library has been submitted, and we now patiently wait for approval to be granted. Once given, timeframes can be more accurately given and the fun (not to mention tangible) work can begin!

Thank you again to all who have been involved in bringing this project to fruition, and we look forward to updating you further in due course.

Yours

Simon Roughsedge
On behalf of the Governing Board
