11th November 2019

Thank you for your interest in the post of: **Lunchtime Supervisor across Norton and West Chinnock Primary School Federation**

Starting November 2019

The successful candidate will be appointed to the Federation working across both schools at West Chinnock and Norton during the lunchtime. The role will involve supervising children and preparing the serving of the hot school meals to the children as well as clearing up afterwards.

The school's catchment area comprises the villages of West and Middle Chinnock, Norton, Little Norton, Chiselborough and Yeabridge. The pupils at the school come from a wide range of social backgrounds, which is a very positive feature of our intake.

Parental expectations of the schools are high, as is the level of support given by the parents. We have a dynamic P.F.A. at West Chinnock and FON's at Norton, and their social functions and fund-raising events enhance the education of the pupils in many ways.

We have a very committed and capable team of staff and volunteers and are very proud of our schools and the children.

As we are voluntary controlled church schools, a Christian based ethos is at the heart of all that we do, and is reflected in the school's aims. We enjoy close links with the parish church, and the Rector takes an active role in the school's life.

Please view our website, which we hope will be of use when completing the application form. In addition to your application form we would like to hear about your work experience, interests and skills. Your application should include the names of two referees and their contact details.

The closing date for all applications is **Wednesday 20th November 2019 at 12.00 pm.**

Interview date TBC

Visits to the schools are warmly welcomed.

We wish you success with your application.
