24<sup>th</sup> April 2020

Dear Parents/Carers,

We hope you all had a restful Easter break and welcome back to our very first remote summer term! We're all adapting to new ways of working. Thank you for everything you are doing in supporting your child(ren)'s wellbeing and learning during this time.

It's definitely been a strange and challenging few weeks and it's ok if you and your child(ren) feel wobbly and worried. We're here for you every step of the way as we figure this all out together. Remember, if you have any concerns about helping your child(ren) learn or you need any other support from the school, please get in touch with us.

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. We're carrying on with our childcare facility based at Norton school for the children of key workers, as well as making provision for all our children to access work at home.

But just because we're not all in the same building, it doesn't mean we can't have some fun together! Your children will have lots of activities they can get stuck into over the summer term – so keep a close eye on Google Classroom for tasks set by your child's teachers and teaching assistants.

We also want to see the children's fantastic learning at home – please keep sending their work in by post, attaching a picture to an e-mail or better still uploading for us to view on Google Classroom. We are creating a display in the school hall in Norton to showcase work done over this period by children at home and with us at school.

We can't say yet when we'll be able to open the schools fully, but rest assured that we'll continue doing our utmost to keep your child(ren) learning and the school community connected.

We have attached a document which highlights the feedback and learning from Google Classrooms.

Yours sincerely,

J B Caswell

L Stiddard
